This schedule takes us through the middle of July. If you are unable to serve on your scheduled date, please try to first switch with another volunteer, then text Kristina Kerry, who is willing to substitute for a lead caretaker when no switch can be made. Younger caretakers can call Daniella or Isabella Bedoya if no switch can be made. Please call or text Genevieve Thompson at 203-376-4293 when a switch IS made so I can send a mid-week reminder to the correct nursery volunteers. I have tried to include everyone's email so we can "reply all" with a need to switch. Also, please call Genevieve if you have any difficulty in the nursery, notice any equipment malfunction, or a depletion of snack or diapering items. Please also be aware of and remove any toys that may be a choking hazard. Toys that have been in a child's mouth should be placed in the soiled toys bin to be sanitized.

Many blessings and thanks to you for your service!  
Genevieve
