Thank you for serving our young families by caring for their little ones. This nursery serves infants through age three. Children four years old and older should attend Children's Church.

This schedule takes us through the summer. If you are unable to serve on your scheduled date, please try first to switch with another volunteer, (and let Genevieve know of the change, please). If you are unable to make a switch, please call Gen. She will gladly serve as a substitute. Also, please call Genevieve if you have any difficulty in the nursery, notice any equipment malfunction, or depletion of diapering items. Any item that has been in a child's mouth should be placed in the soiled toy bin immediately after the child is finished with that item to be sanitized. Please also be aware of and remove any toys that may be a choking hazard. There is a choke tube in the left upper cabinet to test for safety. Not sure what that is or how it works? Gen will gladly show you. Just ask. The air conditioning unit is operated by remote control. The remote is also in the upper left cabinet.

COVID info you should know: Teachers and helpers must wear masks regardless of vaccination status for now. Also, for now and since our service is only an hour, we will not serve a snack to the children.

Thank you, all, for your service! Genevieve
